All welcome. Checkout our facebook page for all the details once they are set. \$5 Entry, Plus MTBA Membership (day license can be arranged) or waiver required.

AGM 16 AUGUST LOCATION TBC

SUN 16TH AUG @ 5PM

Join us for post event drinks and AGM. Plenty of opportunities to get involved with a great club. Anyone is welcome to attend and contribute as little or as much as they would like.

FROM THE PREZ

Hi members!

It's been great to hear that most people were still pretty active during this period and even better to see that this situation actually saw more people getting into mountain biking than ever before.

The club intends to hold the remaining races that were already planned on the club calendar until the end of the year.

One downside to the virus situation was that we had to postpone the full Southern Peaks festival for this year. We are in the process of putting together a Southern Peaks branded XCM race for November though so keep an eye out for that one. We have also agreed to hold a state Downhill round on the September long weekend.

In other exciting news, the Youth Challenge Park is nearly ready to begin development. The club has worked closely with the City of Albany and Common Ground Trails to put together one of the best pump track and jump facilities in Australia.

CORNDARUP

SOUTHERN PEAKS MERCH SPECIALS

Check out our Southern Peaks website for some great discounts on some cool merchandise.

WINTER BIKE TIPS

Give your drivechain a clean and lube after a wet sandy winter ride to get max kms out of your gear.

MTBA MEMBERSHIP

Race and Recreational memberships available to keep you covered living your life offroad. More info on the mtba.org.au site.

Big shout out to all the Clubbies and City of Albany for the hard yakka on the Pilot Trail. It's now running super mint, with some much needed trail maintenance and work on features.

LIVE TO RIDE - STAY INFORMED & COVID SAFE

These great local business's support the club so we can run events, support our youth and provide coaching to name just a few things. Join us in supporting them next time you shop local.
